connect COMMUNITY

Join the St. John's AV Team! We are looking for some additional volunteers to help with the audio and video needs of our worship services. We need team members for in-person services on the lawn to set up and operate the public address system. This could be a family team effort and you can sit together during the service while serving. We also need some team members to help with indoor/in-person and livestream services to operate the video camera operator, monitor and adjust the audio levels, manage the message overlays and video inserts. We would like a commitment of one Sundays per month if possible for AV services, though please let us know if you have an interest in serving. We will provide all necessary training, and you'll always have a seat at the service! The AV Team observes protocols for distancing, masks and sanitizing equipment. There is also a need for someone with video editing skills during the week -- working at home -- to download and prepare prerecorded videos for the services. Please contact [Rev. Chris](#)

Meals for SVdP The St. Vincent de Paul dining room, a key source of food for those who are hungry and homeless in Marin, is currently able to serve only one meal per day due to COVID restrictions. Brown bag meals are provided for the other two meals, and we need you to help our hungry neighbors by making sack lunches!

Signup: click [here](#).
