

CONFIRM NOT CONFORM

2023-2024

Our Confirm Not Conform classes will be starting up once again on October 1st! It is through this Confirmation process that we are able to celebrate the unique voices and perspectives of our youth as they grow as leaders within our greater church community. This culminates in a confirmation ceremony at Grace Cathedral on June 1st, 2024.

This program takes us through a wide range of discussions, creative activities, community outreach, and mentorship opportunities, encouraging open dialogue and a myriad of perspectives.

Confirmation classes will be held roughly twice a month in the St. John's Youth Room from 4:00-5:00 pm. Confirmands have the option of selecting a preferred adult mentor from within the St. John's community or being matched up with a parishioner.
